PowerCliq Technologies Pvt Ltd.

Hospital Management Information System

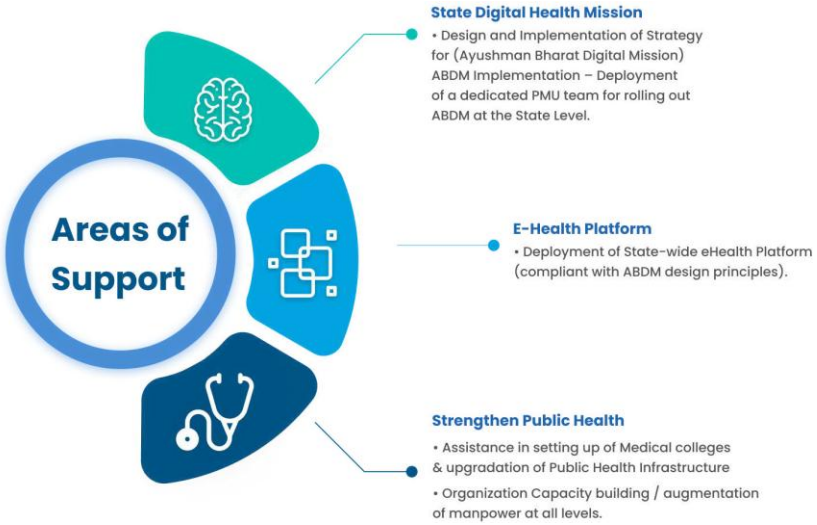

AI-Powered, cloud based hospital management that digitizes the medical practice and upgrades outreach facilities for a healthcare audience. Streamlining workflows, enhancing clinical efficiency and enabling seamless, patient centric healthcare deliver.

A state-of-art digital healthcare solution that transforms hospital and clinic operations. It streamlines workflows, provides instant patient data access, and delivers AI-driven insights for smarter decision-making. With integrated specialty modules, Healthray boosts clinical efficiency, enhances patient experience, and empowers healthcare providers to deliver better care.

Areas Of Support

Supported Specialties

Provides comprehensive hospital Management solutions across a wide range of medical specialties, ensuring efficient workflows, better patient care, and seamless specialty-specific management.

- **Gastroenterologists**
- **Pulmonologist**
- **Gynecologist**
- **Dialectologist**
- **Consultant Physicians**
- **Nephrologists**
- **Orthopedics**
- **Dermatologists**
- **Pediatrics**
- **Ophthalmology**

- ☐ **Electronic Medical Records (EMR)**
- ☐ **Electronic Health Records (EHR)**
- ☐ **Billing and Invoicing**
- ☐ **Laboratory Information System (LIS)**
- ☐ **Radiology Information System (RIS)**
- ☐ **Pharmacy Management**
- ☐ **Human Resources Management**
- ☐ **TPA Management**
- ☐ **Ward / IPD Management**
- ☐ **Data Analytics and Reporting**

Hospital Information Management System (HIMS)

One-stop Healthcare Solution:

HIMS is a cloud-based, AI-driven solution that unifies clinical, administrative and financial operations, helping hospitals Improve efficiency, enhance patient care and ensure data security.

Key Highlights:

- ☐ Smart OPD/IPD & Appointment Management
- ☐ Integrated Billing and Revenue Cycle.
- ☐ Ward & Bed Management
- ☐ Pharmacy & Inventory Control
- ☐ Data Security & Compliance
- ☐ Real-time Analytics & Reporting

EMR Software

Collaborative Medical Platform

EMR is an intuitive, cloud-enabled solution crafted for hospitals, clinics, and specialists. It streamlines workflows, enhances patient engagements and provides secure, real-time access to patient data.

Key Highlights

- ☐ Custom template support for different specialties
- ☐ OPD & Appointment Management
- ☐ Patient Health Portal & Online Consultations
- ☐ Laboratory & Pharmacy Integration
- ☐ Real-time Medical & Radiology Reporting
- ☐ Billing & Revenue Cycle Support
- ☐ Interoperability & Cloud-Based Access
- ☐ Alerts & Secure Document Management

Laboratory Information Management System: (LIMS)

Versatile Lab Solution

LIMS brings labs into the digital age with cloud-based, secure and automated workflows, improving quality, speeding turnaround and ensuring regulatory compliance.

Key Highlights:

- ☐ Sample Lifecycle Tracking from collection to reporting
- ☐ Audit Logs & Access Control for data security & traceability
- ☐ Workflow Automation & Instrument Integration
- ☐ Real-Time Reporting & Performance Monitoring
- ☐ Cloud-Based System with Remote Access & Scalability
- ☐ Regulatory & Quality Standards Support (ISO, HIPAA etc.)

Pharmacy Management System: (PMS)

Smart Pharma Solution

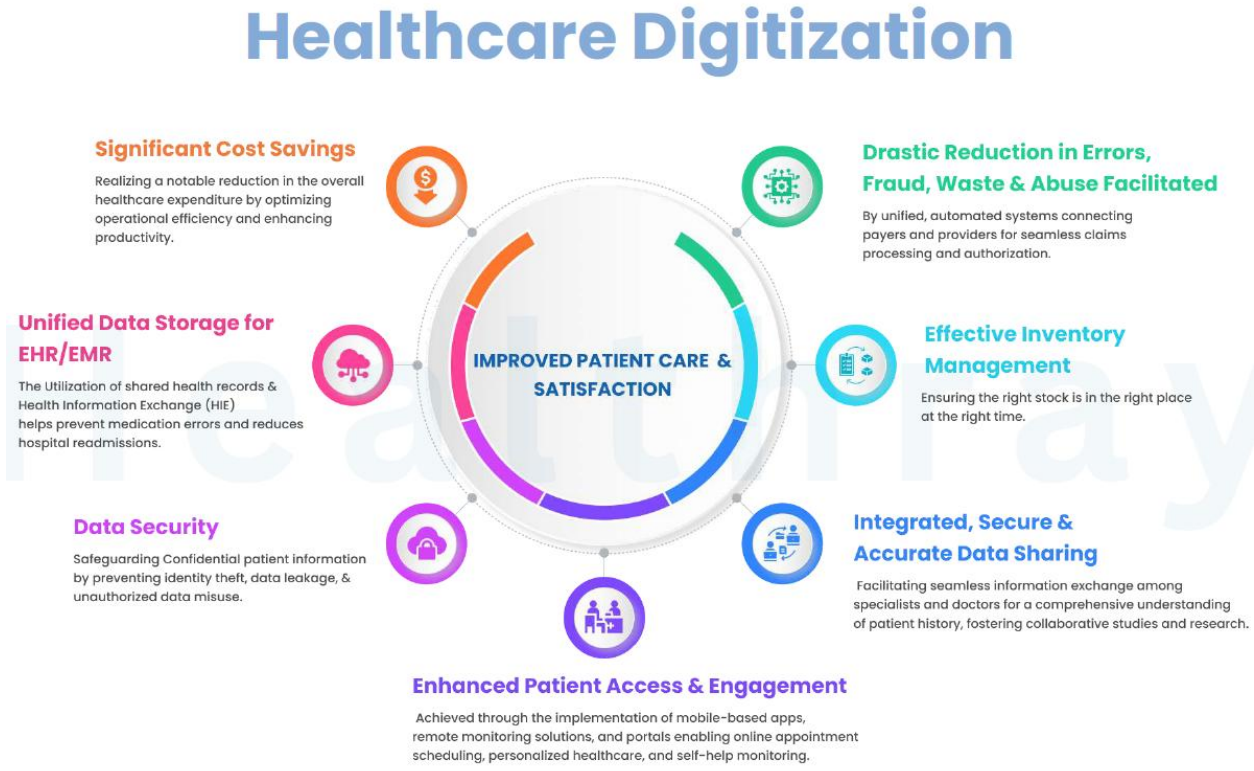

Pharmacy Management System simplifies pharmacy operations with an all-in-one, cloud-enabled platform that ensures accurate dispensing, optimal inventory control and seamless billing helping pharmacies deliver safer patient care, reduce costs and stay compliant effortlessly.

Key Highlights:

- ☐ Prescription Management & E-Prescribing
- ☐ Inventory & Expiry Tracking with Real-time Alerts
- ☐ Billing & Insurance Processing
- ☐ Reporting & Analytics Dashboard
- ☐ Regulatory Compliance & Data Security
- ☐ Integration with EMR / Hospital Systems / POS

HEALTH IT EXCELLENCE

- ☐ SMART Cloud Technology
- ☐ Enterprise-Grade Functionality
- ☐ Integrated, Interoperable & Fully Customizable
- ☐ Specialty-Specific Content & Workflows
- ☐ ABDM-Ready & Global Compliance
- ☐ (HIPAA, ICD-10, SNOMED, FHIR)
- ☐ Fast-Track Implementation
- ☐ Top-Rated Customer Support
- ☐ Hassle-Free Maintenance with Free Upgrades
- ☐ 99% Uptime Guarantee
